### February Programs - Earth (grounding, digestion)

*A Word about Our Monthly Themes.*

The Program Planning Committee, in an effort to bring some continuity to our monthly offerings (and to stimulate the Committee's thinking) chooses a theme for each month. For the months February through May, 2016, we are using the words from one of our hymns: Earth, Air, Fire and Water.

As we talked about what Earth, the theme for February, means, there were several suggestions. First was the obvious - our mother planet. But then, from the world of Tarot and other related traditions, was the "mental" attribute. And from the world of energy medicine comes "digestion." This greatly expanded our thought processes and thus we arrived at the diverse collection of programs for February.

We are using the same approach for succeeding months, arriving at:  
March - Air (wind, mental)  
April - Fire (passion, love)  
May - Water (emotion)

We hope this is not too confusing and that it may lead to some very interesting programs. Please bear with us!

**Feb. 7** - "Greenland is Melting" - NY Times article with video, plus Wrangell-St. Elias National Park - the missing video from Jean's earlier presentation on Alaska

**Feb. 7** - Program Planning Meeting after the service.

**Feb. 14** - "Love Feast." Come join the Program Planning Team for soup and bread. Martin Annex, 2085 Thompson Rd on the lower level in back. **12 NOON.**
