SCUUF Activities for August - All services will be held at the Dolphin Theater at 10:00 am, unless otherwise noted.

August Theme is "Evolution"

Saturday, August 5, 2-4 pm Mental Healing: The History and Science
Presented by Rev. Ruth Miller at the *North Bend Library*

"If Emerson is the philosopher of Transcendentalism, Quimby is its scientist and engineer..." So commented a newspaper editor in the 1850s when Phineas Parkhurst Quimby began to lecture on and offer treatments with his new mental healing methods. Since then thousands of practitioners have effectively used them, with Louise Hay being perhaps the most famous in recent decades. At the same time, high in the Himalayas, Tibetan lamas were using and teaching a different set of methods and achieving similar results. Rev. Miller has studied both approaches and shares insights about how they work and why. Free and open to the public. Donations are appreciated.

Aug. 6 - "Evolving a Life" - Rev. Ruth Miller.

Aug. 13 - "The Evolving Self" Larry High.

Aug. 20 - "The Evolving Significance of the Eclipse"
Linda Smith

Aug. 27 - Three Steps Forward, Two Steps Back: Evolving Towards a More Perfect Union - Mark McKelvey
