Seeds of Possibilities, Rev. Ruth Miller
Saturday, September 30, 2-4 pm at North Bend
Public Library's Small Conference Room
With all the shifts and changes going on around
us, and with most of the media focusing on the
distressing things happening in the world, it's
not always easy to grasp what's really happening.
Dr. Ruth Miller will use her training as a futurist
to help us understand the many possibilities that
are emerging. Some of them are very young
"seedlings" that will need nourishing, if we are to
see them come to pass, while others are well
established trends, shaping the world for our
children's children's children.

Help Wanted!

Looking for someone to coordinate Ruth's
"sleepovers" on the Saturday nights she's in
town! Please contact Kathy Maxham at 978-400-
8990 for more information.

Thank you, Ahlyn!

Many thanks to Ahlyn Bodhi for her willingness to take on the role of Team Leader for the newly formed Service Leaders Team (also known as Facilitator's Team)! She will be coordinating the roster of volunteers for leading Sunday services. She's the Go-To Person for information about the Service Leaders' responsibilities and the materials they'll need. If you have questions or would like to join her team, please touch base with her!

Do You Know... ?

At one time, there was at least one head-worn wireless microphone in the SCUUF closet. Now there's only an empty box. Do you know where it is? If so, please let Kathy Maxham know. Drop her an email at kmaxham@gmail.com or call her at 978-400-8990.!
