SCUUF Programs and Activities for April - All programs will be held Sundays at 10:00 am at the Dolphin Theater.

April Theme: WHOLENESS

April 7. *Rev. Katie Larsell* "Going Dark: That Voice in your Head." Everyone has it, that harsh voice in your head that tells you that you just made a giant mistake that will be remembered for all time! It chides you for your inadequate parenting skills and tells you what a bad friend you are. Going Dark is an exploration of that voice and how we can gently move it toward wholeness.

April 14. *Allen Solomon, Ph.D.* "The Wholeness of the Earth." Do we have the wherewithal to deal with the damage we are doing to the earth? How can we deal with the downsides of the obvious future changes we are imparting to the earth's environment? Is the Green New Deal a solution?

April 21. *Dr. Ruth Miller.* "Easter Flower Communion." It's the first Sunday after the first full moon after the vernal equinox, the day set aside to celebrate the resurrection of what seemed to be dead and gone. On this day, as Unitarian Universalists, we bring flowers and exchange them as tokens of our appreciation for

one another and as a reminder of the blessing of new life. If you can, please bring a flower (or a few) from your garden to share.

April 28. *Suzann Stroup.* "Finding my wholeness in Romania." In 1990 I spent a life changing summer teaching English to the UU Hungarian ethnic and religious minority in Romania that changed my life.
