**SCUUF Programs and Activities for January - All programs will be held Sundays at 10:00 am at the Dolphin Theater.**

### January Theme: Integrity

**January 5.** Dr. Ruth Miller. *Epiphany*. The word "epiphany" comes from the Greek, referring to surprising discovery. From Archemides to Isaac Newton to Francis Crick, science has leapt forward through epiphanies. And, in the Christian tradition, 3 scholar-kings had an epiphany that would affect people around the world for thousands of years. What does it mean today? How can we honor our own epiphanies? These are some of the concepts and questions Dr. Miller will be exploring in her program this week.

**January 12.** Robert Mahaffy. *Old Age re-run*. In this charming essay by Cicero, he attempted to show us what old age may be, rather than what it generally is. This is a presentation that Robert did about 10 years ago and was asked to repeat!

**January 19.** Leanne Lovie. *Courage*. The battles we fight and how they are important to our spiritual lives.

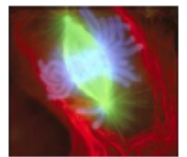

**January 26.** Jerry Chadwick, Cheryl DeLong. *Right Now, I Believe...* Join us as 2 more members/friends present their personal spiritual beliefs in this new series. By sharing and supporting each other, we all grow.

### Meetings

- **Board meeting.** Monday, January 13, 7:00 pm at Coos Bay Library Cedar Room.
- **Program Planning meeting.** Sunday January 12, following the service.
