SCUUF Board of Directors August 10 2020 Zoom Meeting

The most interesting items are this year's visions statement. There are five goals:

- I. Continue to strengthen the connections and relationship within our Fellowship
- II. Deliver more leadership opportunities for members and friends to serve at all levels
- III. Strengthen and deepen our understanding and ability intentionally in order to better serve the wider community through avenues such as UU the Vote, Social Justice work, the Charter of Compassion and becoming a Welcoming Community
- IV. Develop, engage and strengthen our connections with other groups within the community who are working for a better world (Together We are Stronger
- V. Reapply and be approved for our 501.c.3 tax exempt status.

The board is working on a survey of gifts, interests, talents or time, treasure that people are interested in sharing with the Fellowship. The intent is to learn how each member would like to contribute to the realization of the vision and goals.

A special meeting of the Fellowship was planned and has happened. The purpose was to adopt a new set of by-laws and on August after the Sunday service, the Special Meeting was held (on zoom, of course) and Draft 9 of the by-laws was resoundingly approved with three abstentions and no nays.
